Office of the Resident in Mysore
Bangalore 19 July 1884

To The Secretary to the Govt of India
Foreign Department

Sir I have the honor to

~~Advise~~ ^{advise} you to peruse 47
your letter No 1948 of 11
30th May 1884 ^{regarding} ~~concerning~~
~~reference to~~ the donation
of Rs ⁴⁵⁰ ~~500~~ per month to the
Friend in need Society in
the civil and military Station of
Bangalore. I have the honor
to state that the old
correspondence on the
subject of this institution
available in my office
is incomplete, but it ap-
-^{proves} ~~proves~~ that though ~~the~~ ^{the}
grant was first intended
to be ~~temporary~~ ^{maintained only} during
~~the prevalence of~~ ^{the} high
prices, ~~but that~~ ^{yet} the
institution when once
established was found
so eminently useful and
necessary in Bangalore
that successive Chief
Commissioners thought
it right to continue it.
No second order of the

Government of India are
thronging the continuance
of the grant is forthcoming.
A very large number of
poor families of all
classes Europeans, Euro-
peans and natives of other
parts of India have
settled in Bangalore
attracted by the presence
of the Troops and by
the Climate. Widows,
Orphans and infirm
people of these fami-
lies are frequently
left in absolute desti-
tution, and in a more
friendless condition
than the poor usually
are in their own Coun-
try, whether that be
India or England.

2 I think that as the
grant has been ~~continued~~
and continued so long,
it should be upheld
as well, as the money
is wanted and is
usefully and compar-

ably continued and
is desirable to do so!
It would be a mistake
withdrawing. No more
is usefully ~~ex~~ and
importantly expended
on a very charitable
& necessary work.

~~truly represented~~.

The Copy of the Report
of the institution for
the year 1883 and the
Rules herewith sent
will show that all
classes are represented
in the committee and
among the recipients
and that the relief given
is on the lowest scale.
The committee take in-
terest in their work
and scrutinize closely
the working of the
Establishment. There
are in Bangalore
so many charitable
institutions which
demand private
subscriptions that
I do not think more
can be raised for
the Friend in Need
Society by private
subscription than is
raised at present.
